

# NEW in 2018!

## NU-22 in 28 Ounce Cans (D.O.T. Certified Disposable Can)

ICOR Item# NUB-28OZ

Can Tap Valve  
Part#: HC-VLV

The 28oz can is specifically designed for the small appliance repair technician that traditionally services window AC systems, and dehumidifiers, that were originally R-22 based.

The 28 oz cans of NU-22B will be sold separately through ICOR's network of wholesale distributors, and sold in a kit that includes:

- (1) Protective carrying case
- (2) 28 oz. cans of NU-22B
- (1) Can access valve
- Pressure / Temperature chart
- NU-22B system conversion guidelines
- Safety Data Sheet
